### BIO

I'm NJ-based filmmaker willing to travel and working towards directing more music videos and commercials. The only thing I enjoy more than being on set is eating. I'm usually never without Swedish Fish and something to record video on.

### WORK EXPERIENCE

#### Camera Assistant/Media Manager (see selected projects below)

2014 - Present

#### Video Production Specialist 1st-line Equipment, LLC

February 2017 - PRESENT

Apart from producing, shooting, and editing all of their online video content, I co-manage its social media presence and assist in creative design projects and consultations.

#### Video Production Educator Multiple employers

August 2012- December 2014

Educator for three separate programs at Incrediflix, Calvary Christian School, and Algonquin Arts Theater (student age range from 5 years old to 18 years old). Classes covered the basics of the filmmaking process, culminating in a number of student-produced videos at the end of each program.

#### Video Consultant Calvary Chapel Old Bridge

June 2011- July 2013

Produced/managed all video content. This position also gave me opportunity to be part of non-video work as well, such as overseeing photography (for certain events), and volunteering in relief efforts during Hurricane Sandy. I continue to work on projects and volunteer with them from time to time.
